R.S.O. 1897, CHAPTER 330

An Act respecting Real Property

(De Donis Conditionalibus, etc.)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. First, concerning lands that many times are given upon condition, that is to wit, where any giveth his land to any man and his wife, and to the heirs begotten of the bodies of the same man and his wife, with such condition expressed that if the same man and his wife die without heirs of their bodies between them begotten, the land so given shall revert to the giver or his heir: In case also where one giveth lands in free marriage, which gift hath a condition annexed, though it be not expressed in the deed of gift, which is this, that if the husband and wife die without heir of their bodies begotten, the land so given shall revert to the giver or his heir: In case also where one giveth land to another, and the heirs of his body issuing; it seemed very hard, and yet seemeth to the givers and their heirs, that their will being expressed in the gift, was not heretofore, nor yet is observed: In all the cases aforesaid, after issue begotten and born between them, to whom the lands were given under such condition, heretofore such feoffees had power to alien the land so given, and to disherit their issue of the land, contrary to the minds of the givers, and contrary to the form expressed in the gift: And further, when the issue of such feoffee is failing, the land so given ought to return to the giver, or his heir, by form of the gift expressed in the deed, though the issue, if any were, had died: Yet by the deed and feoffment of them to whom land was so given upon condition, the donors have heretofore been barred of their reversion, which was directly repugnant to the form of the gift: Wherefore . . . it is ordained that the will of the giver, according to the form in the deed of gift manifestly expressed, shall be from henceforth observed; so that they to whom the land was given under such condition, shall have no power to alien the land so given, but that it shall remain unto the issue of them to whom it was given after their death, or shall revert unto the giver or his heirs,

Several
sorts of
gifts of

condition.

In such
gifts the
donor's will
shall be
observed.

if issue fail, either by reason that there is no issue at all, or if any issue be, and fail by death, or heir of the body of such issue failing. Neither shall the second husband of any such woman, from henceforth, have anything in the land so given upon condition, after the death of his wife, nor the issue of the second husband and wife shall succeed in the inheritance, but immediately after the death of the husband and wife, to whom the land was so given, it shall come to their issue, or return unto the giver, or his heir, as before is said. . . 13 Edw. I, (St. of Westminster Sec.), c. 1 (commonly called "The Statute *De Donis Conditionalibus*").

Freeholders
may sell
their lands
so that the
feoffee do
hold of the
chief lord.

2. Forasmuch as purchasers of lands and tenements of the fees of great men and other lords, have many times heretofore entered into their fees, to the prejudice of the lords to whom the freeholders of such great men have sold their lands and tenements to be holden in fee of their feoffers, and not of the chief lords of the fees, whereby the same chief lords have many times lost their escheats, marriages, and wardships of lands and tenements belonging to their fees; which thing seemed very hard and extreme unto those lords and other great men, and moreover in this case manifest disinheritance: It is therefore provided, and ordained, that from henceforth it shall be lawful to every freeman to sell at his own pleasure his lands and tenements, or part of them, so that the feoffee shall hold the same lands or tenements of the chief lord of the same fee, by such service, and customs as his feoffer held before. 18 Edw. I, c. 1 (commonly called "The Statute *Quia Emptores*").

Sale of part.

3. And if he sell any part of such lands or tenements to any, the feoffee shall immediately hold it of the chief lord, and shall be forthwith charged with the services, for so much as pertaineth, or ought to pertain to the said chief lord for the same parcel, according to the quantity of the land or tenement so sold: And so in this case the same part of the service shall remain to the lord, to be taken by the hand of the feoffee, for the which he ought to be attendant and answerable to the same chief lord, according to the quantity of the land or tenement sold, for the parcel of the service so sold. 18 Edw. I, c. 2.

Apportion-
ment of
services.

Mortmain
prohibited.

4. And it is to be understood, that by the said sales or purchases of lands or tenements, or any parcels of them, such lands or tenements shall in no wise come into mortmain, either in part or in whole, neither by policy nor craft, contrary to the form of the statute made thereupon. And it is

to wit, that this and the two preceding sections of this Act extend only to lands holden in fee simple. 18 Edw. I, c. 3.

* * * * *

11. Lineal and collateral warranties at common law, with all their incidents, are abolished; but the liability of the executors, or administrators, or devisees, of any person who shall have made any covenant, is unaffected by this section. (See 4 and 5 Anne, c. 3 (or c. 16 in Ruffhead's Ed.), s. 21.) 2 Edw. VII, c. 1, s. 7.

And the estate, right, title and possession, that was in such person that was, or shall be hereafter seized, of any lands, tenements, or hereditaments, to the use, confidence or trust, of any such person, or of any body politic, shall be from henceforth deemed and adjudged to be in him that hath such use, confidence or trust, after such quality, manner, form and condition, as he had before in or to the use, confidence or trust, that was in him. 27 Hen. VIII, c. 10, s. 1.

Persons entitled to the use of lands, shall stand and be seized, and be deemed in lawful seizin and possession of the lands.

3. Where divers and many persons be, or hereafter shall happen to be, jointly seized, of and in any lands, tenements, rents, reversions, remainders, or other hereditaments, to the use, confidence or trust, of any of them that be so jointly seized, then, in every such case, that person which shall have any such use, confidence or trust, in any such lands, tenements, rents, reversions, remainders, or hereditaments, shall, from henceforth, have, and be deemed to have, only to him, or them, that shall have such use, confidence or trust, such

So where divers are seized to the use of any of them:

VIII, c. 10, s. 2.

In case of uses for payment of rents, the parties entitled to the rents shall be deemed in possession and seizin thereof.

4. And where also divers persons stand and be seized of and in any lands, tenements, or hereditaments, in fee simple or otherwise, to the use or intent that some other person shall have and receive yearly to him and his heirs an annual rent of forty dollars more or less out of the same lands and tenements, and some other person another annual rent to him and his assigns, for the term of life, or years, or for some other special time, according to such intent and use as hath been heretofore declared, limited and made, thereof; in every such case the same person, his heirs and assigns, that hath such use and interest to have and receive any such annual rents out of any lands, tenements or hereditaments, shall be deemed to be in possession and seizin of the same rent, of and in such like estate as they had in the title, interest or use, of the said rent or profit, and as if a sufficient grant, or other lawful conveyance, had been made and executed to them by such as were or shall be seized to the use or intent of any such rent, to be had, made or paid, according to the very trust and intent thereof. And every such person as hath, or hereafter shall have, any title, use and interest, in or to, any such rent or profit, may lawfully distrain for non-payment of the said rent, and in his own name make avowries, or by his bailiffs or servants make cognizances and justifications, and have all other suits, entries and remedies for such rents, as if the same rents had been actually and really granted to him with sufficient clauses of distress, re-entry, or otherwise, according to such conditions, pains or other things, limited and appointed upon the trust and intent for payment, or surety of such rents. 27 Hen. VIII, c. 10, s. 3.

Women having jointures shall not have dower.

begotten, or to the husband and to the wife for term of their lives, or for term of life of the said wife, or where any such estate or purchase of any lands, tenements, or hereditaments, hath been, or hereafter shall be, made to any husband and to his wife in manner and form above expressed, or to any other person or persons and to their heirs and assigns to the use and behoof of the said husband and wife, or to the use of the wife, as is before rehearsed, for the jointure of the wife, then, and in every such case, every woman married, having such jointure made, or hereafter to be made, shall not claim or have title to have any dower of the residue of the lands, tenements, or hereditaments, that at any time were her said husband's by whom she hath any such jointure, nor shall demand nor claim her dower of and against them that have the lands and inheritances of her said husband, but if she have no such jointure then she shall be admitted and enabled to pursue, have, and demand, her dower by action of dower after the due course and order of the laws of this Province; this Act or any law or provision made to the contrary thereof notwithstanding. 27 Hen. VIII, c. 10, s. 4.

6. Provided always that if any such woman be lawfully expelled or evicted from her said jointure, or from any part thereof, without any fraud or covin, by lawful entry, action, or by discontinuance of her husband, then every such woman shall be endowed of as much of the residue of her husband's tenements or hereditaments whereof she was before dowable, as the same lands and tenements from which she was so evicted and expelled shall amount or extend unto. 27 Hen. VIII, c. 10, s. 5.

Proviso for dower, where the wife is evicted of her dower.

7. Provided also that if any wife shall have any lands, tenements or hereditaments, unto her given or assured, after marriage, for term of her life or otherwise in jointure, except the same assurance be to her made by statute, and the said wife, after that, fortune to outlive her husband in whose time the said jointure was made or assured unto her, then the said wife so overliving shall and may at her liberty, after the death of her said husband, refuse to have and take the lands, and tenements, so to her given, appointed, or assured, during the coverture, for term of her life or otherwise in jointure, except the same assurance be to her made by statute as aforesaid, and thereupon have, ask, demand and take her dower, by action of dower or otherwise, according to law, of and in all such lands, tenements, and hereditaments, as her husband was and stood seized of any estate of inheritance, at any time during the coverture; anything contained in this Act to the contrary in any wise notwithstanding. 27 Hen. VIII, c. 10, s. 7.

SCHEDULE

TO THE KING'S MOST EXCELLENT MAJESTY

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called the *British North America Act, 1867*, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

- (a) Where the population of the province is under 150,000, \$100,000;
- (b) Where the population of the province is 150,000, but does not exceed 200,000, \$150,000;
- (c) Where the population of the province is 200,000, but does not exceed 400,000, \$180,000;
- (d) Where the population of the province is 400,000, but does not exceed 800,000, \$190,000;
- (e) Where the population of the province is 800,000, but does not exceed 1,500,000, \$220,000;
- (f) Where the population of the province exceeds 1,500,000, \$240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or effect the terms special to any particular province upon which such province became

part of the Dominion of Canada, or the right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of the *British North America Act, 1867*, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

Speaker of the Senate.

And whereas it is meet and proper to set out by way of preamble to this Act that, inasmuch as the Crown is the symbol of the free association of the members of the British Commonwealth of Nations, and as they are united by a common allegiance to the Crown, it would be in accord with the established constitutional position of all the members of the Commonwealth in relation to one another that any alteration in the law touching the Succession to the Throne or the Royal Style and Titles shall hereafter require the assent as well of the Parliaments of all the Dominions as of the Parliament of the United Kingdom:

And whereas it is in accord with the established constitutional position that no law hereafter made by the Parliament of the United Kingdom shall extend to any of the said Dominions as part of the law of that Dominion otherwise than at the request and with the consent of that Dominion:

And whereas it is necessary for the ratifying, confirming and establishing of certain of the said declarations and resolutions of the said Conferences that a law be made and enacted in due form by authority of the Parliament of the United Kingdom:

And whereas the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland have severally requested and consented to the submission of a measure to the Parliament of the United Kingdom for making such provision with regard to the matters aforesaid as is hereafter in this Act contained:

(3) In the application of this Act to the Commonwealth of Australia, the request and consent referred to in section four shall mean the request and consent of the Parliament and Government of the Commonwealth.

Certain sections of Act not to apply to Australia, New Zealand or Newfoundland unless adopted.

10.—(1) None of the following sections of this Act, that is to say, sections two, three, four, five and six, shall extend to a Dominion to which this section applies as part of the law of that Dominion unless that section is adopted by the Parliament of the Dominion, and any Act of that Parliament adopting any section of this Act may provide that the adoption shall have effect either from the commencement of this Act or from such later date as is specified in the adopting Act.

Elihu Stewart, D.L.S., representing the Dominion of Canada, and B. J. Saunders, O.L.S., representing the Province of Ontario, and by the Commission appointed in 1921 to delimit the boundary between the Provinces of Ontario and Manitoba from the Winnipeg River northerly, consisting of the Surveyor-General of Dominion lands, representing the Dominion of Canada, and the Director of Surveys for Ontario, representing the Province of Ontario, shall be the boundary line between this Province and the Province of Manitoba, although the limits of the Province may be thereby increased, diminished or otherwise altered, and thereupon in so far as the Legislature of the Province of Ontario has power so to enact the boundary line between the Province of Ontario and the Province of Manitoba shall be as described in the said schedule.

SCHEDULE

Description by metes and bounds of the surveyed portions of the western boundary of the Province of Ontario.

Commencing at the most northerly point on the International Boundary between Canada and the United States at the northwest angle of the Lake of the Woods, as established by Dr. Tiarks and David Thompson under the direction of the Commissioners appointed under Article VII of the Treaty of Peace and Amity between His Britannic Majesty and the United States of America signed at Ghent the 24th December, 1814, and confirmed by Article II of the Ashburton Treaty of 1842, said most northerly point being styled the Initial Point on the official plan of survey of the boundary between the Provinces of Ontario and Manitoba from Lake of the Woods to Winnipeg River, which said Initial Point may be more particularly known and described as being seventy-two chains and fifty links, more or less, due north of the most northerly point on the International Boundary at the northwest angle of the Lake of the Woods as determined by Article I of the Treaty between His Britannic Majesty in respect of the Dominion of Canada and the United States for the Further Demarcation of the Boundary between Canada and the United States, signed at Washington on February 24th, 1925, which said Initial Point is also one hundred and fifty chains and one link, more or less, due north from an iron post extending four feet above ground and planted about five chains northerly from the north bank of the Northwest Angle River, bearing the following inscriptions:—"October 20th, 1818" on the south side, and on the north side the words "convention of London" said post having been planted by the International Boundary Commissioners in 1872 to mark the boundary between the Dominion of Canada and the United States of America; which said Initial Point is also one hundred and ten chains and sixty-two links, more or less, due north from an iron post extending four feet above the ground bearing similar inscriptions and planted by the same authority as the above mentioned post.

Thence from said Initial Point due north along the boundary between the Provinces of Ontario and Manitoba as marked on the ground by the Commissioners referred to in the Act to which this description is a Schedule, a distance of two hundred and thirty-eight miles, thirteen chains and twenty-eight links, more or less, to a point at the centre of the road allowance on the north side of the twelfth Base Line of the System of Dominion Land Surveys, said point being thirty chains and fifty-seven links, due

north from a concrete monument on said Boundary, which said monument is about three feet high above the ground and bears the following inscriptions: on the east side "No. 218 Ontario" and on the west side "No. 218 Manitoba," said Boundary from the Initial Point to the Winnipeg River being marked at intervals of approximately one mile in length by iron posts and mounds, each post bearing the number corresponding to the number of miles which it is distant from said Initial Point on the south side, the letters "MAN" for Manitoba on the west side and the letters "ONT" for Ontario on the east side, and from the Winnipeg River northerly the said Boundary being marked at intervals of approximately six miles in length by concrete monuments bearing brass plates on which are the following inscriptions: On the east side, the number of the monument and the word "ONTARIO" and on the west side the number of the monument and the word "MANITOBA," said boundary from the Winnipeg River northerly being also marked at intervals of approximately one mile in length with special posts and mounds, the posts bearing the inscriptions "Interprovincial Boundary" "Ontario-Manitoba," each post having also marked on it the number of the monument, the number of the bench mark and the year of the survey.

That part of the said Boundary which lies between the Lake of the Woods and Winnipeg River is shown on the official plan of the survey of said Boundary, dated 30th April, 1898, and signed by Elihu Stewart, D.L.S., and B. J. Saunders, O.L.S. The Commissioners appointed in 1897, and that part of said Boundary lying between the Winnipeg River and the twelfth Base Line aforesaid being shown on a series of sixteen plans of survey published in atlas form in 1925 and signed by the Surveyor-General of Dominion Lands, and the Director of Surveys for the Province of Ontario, as the Commissioners appointed in 1921, all of which plans are of record in the Department of the Interior at Ottawa, in the Department of Public Works at Winnipeg and the Department of Lands and Forests at Toronto.

The undersigned Commissioners appointed by *The Statutes Consolidation Act, 1949* to consolidate and revise the public statutes of Ontario have the honour to report the completion of their work in accordance with the provisions of the said Act. Submitted herewith is a printed Roll containing 431 Acts that have been so consolidated and revised.

The Commissioners have appended to the Roll an appendix, marked Appendix A, showing certain Acts and parts of Acts not repealed by the Revised Statutes of Ontario, 1950, and in force in Ontario subject thereto, and an appendix, marked Appendix B, showing certain Imperial Statutes and Statutes of Canada relating to the constitution and boundaries of Ontario.

The Commissioners have also appended to the Roll a schedule, marked Schedule A, showing the Acts contained in the Revised Statutes of Ontario, 1937 and other Acts of the Legislature that are repealed in whole or in part from the day upon which the Revised Statutes of Ontario, 1950 take effect, and the extent of such repeal, and a schedule, marked Schedule B, showing Acts and parts of Acts that are repealed, superseded and consolidated in the Revised Statutes of Ontario, 1950, and showing also the portions of the Revised Statutes of Ontario, 1937 and the Acts of the Legislature passed thereafter that are not consolidated.

History of Statute Revisions in the Provinces of Upper Canada, Canada and Ontario

1763 - 1791

The Treaty of Paris, 1763, ceded the French possessions in North America to Great Britain. On October 7th of that year a Royal proclamation introduced the law of England, both civil and criminal, into the whole of the ceded territory, and formed the Eastern portion of it into the Province of Quebec. The Governor of the new colony received power and direction "so soon as the state and circumstances of the colony would admit thereof, to summon and call a General Assembly", but until this was done, the Governor and Council were invested with "authority to make such rules and regulations as should appear to be necessary for the peace, order and good government of the Province".

In 1774 the Quebec Act (14 Geo. III, c. 83, Imp.) was passed, by which French law was re-introduced in civil matters, and the limits of the Province of Quebec were enlarged, so as to include the whole of the territory afterwards formed into Upper Canada.

The Quebec Act produced dissatisfaction, especially among the British colonists, and in 1791, the Constitutional Act (31 Geo. III, c. 31, Imp.) was passed, by which the Province of Quebec as it then existed, was divided into the Province of Upper Canada and the Province of Lower Canada, the power of the Governor in Council to legislate was taken away, and a legislature was granted to each Province.

1792 - 1840

1. The first revision of the statutes in the new Province of Upper Canada was made in 1818. It consisted merely of a collection of the Acts of the Province of Upper Canada in force at that date, together with such Acts of the Imperial Parliament and ordinances of the former Province of Quebec as affected Upper Canada.

2. In 1831 a collection of the statutes of Upper Canada in force at that date was published by Messrs. Hugh C. Thomson and James Macfarlane, which, though a private enterprise, long supplied the place of a revision by authority.

1841 - 1866

3. The Act of Union (3 & 4 Vict., c. 35, Imp.) which came into force by proclamation on February 10th, 1841, united the Provinces of Upper and Lower Canada. A revision was soon after begun of the statutes of

Upper Canada in force at the date of the union. A commission for the purpose, dated July 25th, 1840, was issued to the Honourable John Beverley Robinson, the Honourable James B. Macaulay, the Honourable William Henry Draper, and John Hillyard Cameron, Esq. It directed the Commissioners "diligently and carefully to examine and revise the several statutes from time to time passed and enacted by the Parliament of Upper Canada, and then in force and effect; and to make such report upon the premises as in their opinion should be most for the interest, welfare and good government of the Province".

The result of the work of the Commission was embodied in two volumes, the first containing public Acts, and the second, local and private Acts. The report to the Governor-General, in which the Commissioners announced the completion of the project, is dated 8th March, 1843, and was printed as a preface to the first volume.

In this, as in earlier "revisions", no actual consolidation of the statutes was attempted. The various Acts in force were printed as they had been passed, omitting only such portions as had expired or had been repealed, with notes stating the reasons for omissions, and giving the provisions, if any, which the Legislature had substituted for repealed clauses; errors in the text were left uncorrected, except by way of a note directing attention to them; and the revision did not receive authority by legislative adoption, but was nevertheless, by general use, substituted for the preceding volumes of statutes.

A revision of the Acts and ordinances in force in Lower Canada at the date of the union of Upper and Lower Canada was begun in 1842, and completed in 1845, by a Commission composed of Messrs. A. Buchanan, H. Heney and G. W. Wicksteed. The Commissioners made two reports, which, as well as a prefatory notice, was printed with the volume of revised statutes compiled by them.

4. The first consolidation, properly so called, of the statute law was begun in 1856.

Two Commissions were issued, the first, dated February 7th, 1856, appointed Messrs. John Hillyard Cameron, Joseph C. Morrison, Adam Wilson, Skeffington Connor, Oliver Mowat, and David B. Read to examine, revise, consolidate and classify the public general statutes affecting Upper Canada only, and the second, dated March 28th, 1856, appointed Messrs. A. Polette, Gustavus W. Wicksteed, Andrew Stuart, T. J. J. Loranger, Robert Mackay, and George de Boucherville to examine, revise, consolidate and classify the public general statutes applying exclusively to Lower Canada. Each Commission directed the Commissioners therein named, jointly with the members of the other Commission, to examine, revise, consolidate and classify the public general statutes which applied equally to both sections of the Province.

Subsequently Messrs. Cameron and Morrison resigned, and in their stead the Honourable J. B. Macaulay and S. H. Strong, Esq., were

appointed. Afterwards Dr. Connor and Mr. Mowat also resigned, preparatory to their becoming candidates for election as members of the Legislative Assembly. In a later stage of the work, and especially during its final revision, the commissioners were assisted by His Honour Judge Gowan, of the County Court of the County of Simcoe.

The first report of the Commission was made on April 19th, 1858, and in 1859 drafts of the Consolidated Statutes for Upper Canada and the Consolidated Statutes of Canada were submitted to the Governor-General, accompanied respectively by a report, dated January, 1859, by Sir J. B. Macaulay, the Chairman of the Upper Canada Commission, and a joint report dated March 3rd, 1859, by Sir. J. B. Macaulay and Mr. Wicksteed, the acting Commissioner of the Commission for Lower Canada. (*See Sess. Papers*, 1859, No. 9.)

These two volumes were laid before the Legislative Assembly in 1859, and Acts were passed to provide for their coming into force by proclamation.

Pursuant to the provisions of the last-mentioned Acts, the enactments of the then session were incorporated with the consolidation and the two volumes were declared by proclamation to come into force on December 5th, 1859.

1867 - 1950

On July 1st, 1867, by proclamation issued under the *British North America Act, 1867* (30 and 31 V., c. 3, Imp.) the Province of Canada was, with the Provinces of Nova Scotia and New Brunswick, formed into the present Dominion of Canada. Thus the two divisions of the Province of Canada were once more constituted separate provinces, Upper Canada being called the Province of Ontario, and Lower Canada the Province of Quebec.

5. The Revised Statutes of Ontario were prepared by a Commission appointed July 24th, 1874, composed in the first instance of the Honourable William Henry Draper, Chief Justice of Appeal; the Honourable Samuel Henry Strong, the Honourable George William Burton, and the Honourable Christopher Salmon Patterson, Justices of Appeal; the Honourable Oliver Mowat, Attorney-General; and Messrs. Thomas Langton, Charles R. W. Biggar and Rupert Etherege Kingsford, Barristers-at-Law. The Honourable Thomas Moss upon his appointment as Justice of Appeal, the Honourable Samuel Hume Blake, Vice-Chancellor, and His Honour Judge Gowan, of the County Court of the County of Simcoe, were subsequently added to the Commission.

The work of the Commission was three-fold:

First. To examine, revise, consolidate and classify such of the public general statutes passed by the Parliament of the Province of

Canada and applying to Ontario as were within the legislative authority of the Legislature of Ontario;

Secondly. To examine and arrange in the manner most convenient for reference such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were not within the legislative authority of the Legislature of Ontario; and also the statutes passed by the Parliament of the Dominion of Canada and affecting Ontario;

Thirdly. To examine and arrange in the manner most convenient for reference the statutes of the Imperial Parliament, printed with the Consolidated Statutes of Canada in 1859, as well as all statutes afterwards passed by the Imperial Parliament.

This Commission made three reports, dated respectively December 12th, 1874, December 11th, 1875, and December 30th, 1876. The first report was accompanied by tables showing the consolidation in outline. The second report announced the completion of the collection of the Imperial Acts, and contained suggestions for legislation to remove discrepancies discovered in the course of the work, and otherwise to facilitate consolidation. Specimens of the work done were also submitted with this report. With the third report was submitted a draft of the revised statutes, which was laid before the Legislature at its session in 1877.

A volume of 633 pages, being a portion of the collection of enactments of the Dominion of Canada, and of the Province of Canada which were not within the legislative authority of the Legislature of Ontario, was presented with the second report; but the completion of this portion of the work of the Commission was afterwards abandoned in view of the preliminary steps which had been taken by the Dominion Government for a consolidation of statutes that would include the Acts of which the Ontario collection would have been composed.

The enactments of the session of 1877 were incorporated in the draft-consolidation above mentioned pursuant to the Ontario Act, 40 V., c. 6, by a commission appointed by the Lieutenant-Governor. It was composed of the Honourable Chief Justice Draper, the Honourable Mr. Justice Strong, the Honourable Mr. Justice Burton, the Honourable Mr. Justice Patterson, the Honourable Mr. Justice Moss, the Honourable Vice-Chancellor Blake, His Honour Judge Gowan, the Honourable Oliver Mowat, Attorney-General, and Thomas Langton, Esq., Barrister-at-Law.

These Commissioners reported the completion of their work to the Lieutenant-Governor on November 20th, 1877, and the revision being approved of by him, a proclamation was issued on December 7th, 1877, declaring the Revised Statutes of Ontario to be in force on, from, and after December 31st, 1877.

6. The Revised Statutes of Ontario, 1887 were prepared by a Commission appointed December 11th, 1885, and composed in the first instance, of the Honourable George William Burton, the Honourable Christopher Salmon Patterson and the Honourable Featherston Osler, Justices of the Court of Appeal; the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable John Edward Rose and the Honourable John O'Connor, Justices of the High Court of Justice; His Honour Joseph Easton McDougall, Judge of the County Court of the County of York; the Honourable Oliver Mowat, Attorney-General of Ontario; the Honourable Arthur Sturgis Hardy, Provincial Secretary; John Galloway Scott, Esq., Master of Titles, and John Robison Cartwright and Frank John Joseph, Esquires, Barristers-at-Law. By a subsequent commission, dated December 31st, 1885, the Honourable Alexander Morris, Ex-Chief Justice of the Province of Manitoba, was added to the Commission. The Commissioners were appointed to consolidate the public statutes of the Province of Ontario, and were directed as they, or any three of them, might think proper to report from time to time their proceedings and progress of the work entrusted to them to the Lieutenant-Governor and to be guided by the instructions received from time to time from the Lieutenant-Governor in all things not contained in the commission. The Commissioners made their first report in the month of March, 1887, accompanied with a draft of the consolidated statutes, and indicated the manner in which the work had been prepared. The enactments of the session of 1887 were subsequently incorporated in this draft consolidation by the Commissioners pursuant to the authority of the Ontario statute, 50 V., c. 2.

The completion of the work was reported by the Commissioners to the Lieutenant-Governor, and the consolidation being approved of by him a proclamation was issued on December 20th, 1887, declaring "The Revised Statutes of Ontario, 1887" to be in force on and after December 31st, 1887.

7. The Revised Statutes of Ontario, 1897 were prepared by a Commission appointed April 25th, 1896, composed in the first instance of the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable Featherston Osler, Justice of Appeal; the Honourable John Douglas Armour, Chief Justice of the Queen's Bench; the Honourable James Maclellan, Justice of Appeal; the Honourable William Ralph Meredith, Chief Justice of the Common Pleas; the Honourable Thomas Ferguson, the Honourable John Edward Rose and the Honourable William Glenholme Falconbridge, Justices of the High Court; the members of the Executive Council of Ontario, and James Pliny Whitney, Esq., M.P.P.; Byron Moffatt Britton, Esq., Q.C., and John Galloway Scott, Esq., Q.C., Master of Titles.

By a subsequent commission dated May 23rd, 1896, Allan Malcolm Dymond, Esq., was added, and by a commission dated September 12th,

1896, Thomas Langton, Esq., Q.C., was added, and by a commission dated March 30th, 1897, James Thompson Garrow, Esq., M.P.P., was added to the Commission.

The Commission completed its work and reported the same to the Lieutenant-Governor on December 20th, 1897, and the consolidation being approved of by him, a proclamation was issued on December 24th, 1897, declaring the Revised Statutes of Ontario, 1897 to be in force on and after December 31st, 1897.

8. The Revised Statutes of Ontario, 1914 were prepared by a Commission appointed June 23rd, 1906, composed in the first instance of the Honourable Featherston Osler, one of the Justices of the Court of Appeal; the Honourable Sir William Ralph Meredith, Chief Justice of the Common Pleas; the Honourable James Thompson Garrow, one of the Justices of the Court of Appeal; the Honourable William Purvis Rochfort Street, one of the Judges of the King's Bench; the Honourable James Vernall Teetzel, one of the Judges of the Common Pleas; the Honourable Francis Alexander Anglin, one of the Judges of the Exchequer Division; the members of the Executive Council of the Province of Ontario, and Alexander Grant Mackay, Esq., K.C., and Allan Malcolm Dymond, Esq., K.C.

By a further commission dated September 26th, 1906, the Honourable James Pitt Mabee, one of the Judges of the Chancery Division, and His Honour Colin G. Snider, Judge of the County Court of the County of Wentworth, were added to the Commission.

By a further commission dated December 7th, 1906, the powers of the Commission were enlarged, and the work of revision and consolidation was proceeded with as indicated in the report which is printed at page cxxxvii of volume III of R.S.O. 1914.

The Commission reported the completion of the revision and consolidation to the Lieutenant-Governor on February 11th, 1914, and upon his approval being signified a proclamation was issued on February 12th, 1914, declaring the Revised Statutes of Ontario, 1914 to be in force on and after March 1st, 1914.

9. The Revised Statutes of Ontario, 1927 were prepared by a Commission appointed on October 30th, 1924, and composed of the Honourable William Edward Middleton, the Honourable Hugh Thomas Kelly, the Honourable William Nassau Ferguson, the Honourable Robert Smith, Judges of the Supreme Court of Ontario; His Honour James Gamble Wallace, Judge of the County Court of the County of Oxford; the Honourable William H. Price, K.C., Attorney-General; Kenneth W. McKay, Esq., Editor, of the City of St. Thomas; Allan Malcolm

Dymond, Esq., K.C.; Edward Bayly, Esq., K.C., and William Bruce Wilkinson, Esq., K.C.

The Commission reported the completion of the revision and consolidation to the Lieutenant-Governor on December 15th, 1927, and upon his approval being signified a proclamation was issued on December 20th, 1927, declaring the Revised Statutes of Ontario, 1927 to be in force on and after December 31st, 1927.

10. The Revised Statutes of Ontario, 1937 were prepared by the Legislative Counsel, Eric Hamilton Silk, who by chapter 6 of the Statutes of Ontario, 1937, was appointed a Commissioner to consolidate and revise the public Statutes of Ontario in accordance with the provisions of that Act.

The Commissioner reported the completion of the revision and consolidation to the Lieutenant-Governor on January 7th, 1938, and upon his approval being signified a proclamation was issued on January 21st, 1938, declaring the Revised Statutes of Ontario, 1937 to be in force from and after January 24th, 1938.

11. In 1949 the Legislature passed *The Statutes Consolidation Act, 1949* (See page 257 of this volume). This statute appointed Lachlan Randolph MacTavish, one of His Majesty's Counsel, and Donald Milner Treadgold, a member of the Bar of Ontario, Legislative Counsel and Municipal Legislative Counsel respectively, as commissioners to consolidate and revise the public statutes of Ontario in accordance with the provisions of that Act.

The Commissioners reported the completion of their work to the Lieutenant-Governor on November 6th, 1950 (See page 261 of this volume).

On November 9th, 1950, a proclamation was issued bringing the Revised Statutes of Ontario, 1950 into force on December 31st, 1950 (See page 263 of this volume).
